EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jonathan McDermott on 11/22/05.

The application has been amended as follows:

On line 5 of claim 4, "the balance" was replaced with --a balance--;

On line 10 of claim 4, "from insulin" was replaced with --from intended insulin--;

On line 2 of claim 7, "standard food" was replaced with --carbohydrate--;

At the very beginning of line 2 of claim 16, "steps," was replaced with --steps of claim 6,--;

Claim 21 was cancelled.

The changes to claims 4, 7, and 16 were made to clarify the language with respect to antecedent basis of terms in the claims. Claim 21 was cancelled because the claim lacked sufficient antecedent basis for "the intended food unit value and the food units" and because it appears to be a duplicate of claim 11, except that claim 11

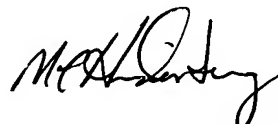

recites "the intended carbohydrate unit comprises toast or bread including about 16 g of carbohydrate" rather than the intended food unit value comprises such toast or bread.
